1.9 Privacy and Credit Reporting Statement (effective June 2021)

I/We acknowledge that I/we have made an application for credit from the Lender noted in the Schedule and that I/we have provided personal information and credit-related information to the Lender in connection with that application for credit. In this statement, "personal information" has the same meaning as it does in the Privacy Act 1988 (Cth) (Privacy Act) and "credit-related information" means credit information, credit eligibility information and CP derived information as those terms are defined in the Privacy Act

The Lender generally collects, uses, holds and discloses the personal information and credit-related information that I/we provide for the purposes of assessing my/our credit-worthiness and for providing credit to me/us. The personal and credit-related information that the Lender may collect, use, hold and disclose includes my/our identity particulars including name, sex, address and previous two addresses, date of birth, name of employer, and details listed under any of my/our government-issued identity documents, including drivers licence or passport details; my/our application for credit or commercial credit; the fact that I/we have applied for credit and the amount; details of the amount and type of credit that have been provided to me/us by third parties or which I/we have guaranteed; any credit rating or credit assessment score that the Lender calculates about me/us or that a credit reporting body might provide to the Lender about me/us: details of any creditrelated court proceedings or insolvency applications that relate to me/us; the fact that the Lender is a current credit provider to me/us; the fact that the loan repayments are overdue or that my/our loan repayments are no longer overdue; credit provided to me/us by the Lender has been paid or otherwise discharged and any other personal information or credit-related information that the Lender may collect about me/us either now or in the future.

I/We acknowledge and consent to the Lender also collecting personal and credit-related information about me/us from third parties. In such circumstances, I/we accept that the Lender will only be required to take such steps as are reasonable in the circumstances to ensure that I/ We are made aware of the matters contained in this privacy and credit reporting statement.

The Lender may collect and use personal and credit-related information about me/us for the purposes of:

- providing credit to me/us and ensuring the repayment of that credit;
- where I/we offer to guarantee credit being provided to a third party, any purpose related to the giving of that guarantee;
- assessing the risk of me/us being unable to meet a liability to repay the
 credit provided to me/us or that might arise under a guarantee entered
 into, or proposed to be entered into, in respect of mortgage finance
 given (or to be given) by the Lender to another person;
- risk assessment and management involving securitisation, credit scoring, portfolio analysis, reporting and fraud prevention and claim recovery;
- managing and administering my/our relationship with the Lender;

- verifying my/our identity and the validity of government-issued identity documents that I/we have provided; and
- complying with legislative and regulatory requirements.

I/We acknowledge that without the provision of my/our personal or creditrelated information to the Lender, the Lender may be unable to process or accept my/our application for credit or to operate or manage the credit provided to me/us. I/We also acknowledge that the Lender may need to verify my/our identity (including where required by the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (Cth) or other applicable laws) and that it is impracticable for me/us to remain anonymous or use a pseudonym when dealing with the Lender.
